Subject: FlexCore, New Product Introduction – **Mobile Cart, Heavy Duty, 36”H, with Leveling Casters**

JMP is pleased to announce the addition of the **Mobile Cart, Heavy Duty, 36”H, with Leveling Casters** to the FlexCore Product Line:

- **Mobile Cart, Heavy Duty, 36”H, with Leveling Casters** are generally used in place of a 78” Full Height Mobile Cart when there are no shelves or other features required above the work surface
- Each **Mobile Cart, Heavy Duty, 36”H, with Leveling Casters** includes four heavy duty Leveling Casters (Zambus® Foot Master®, or equivalent), all of which when fully extended provide a level of vibration dampening
- NOTE: No option exists presently to extend the height of the uprights to 78” Full Height, however that option is planned for a future release, date TBA
- Please refer to JMP Flex Laboratory System specification for all other information regarding the design and application of this **Mobile Cart, Heavy Duty, 36”H, with Leveling Casters**
