Date: *September 9, 2011*

No.: 031

To: Customer Service, Engineering, Estimating, Operations, Sales, Valued JMP Dealers

Subject: *SEFA 8M-2010 Compliance, Cabinet Surface Finish, Test Data & Report*

Jamestown Metal Products, LLC, is pleased to announce that the epoxy powder paint used on our cabinets and painted fume hood components has been tested and is fully compliant with SEFA 8M-2010.

Please refer to the attached Test Data & Report for more details. A downloadable version will be placed on our website in the coming weeks, along with updated Specifications reflecting the results.

Contact JMP for more information.
